

## The Leadership Toolbox—engaging others to lead

**G**reat leaders are not born—they have mastered their craft with specific skills and a consistent attitude of collaboration that allows them to accomplish great things *with* people. Leaders that practice these skills are able to bring the best out of people and achieve massive results by *allowing* staff to be motivated.

**The Leadership Toolbox** is an ideal seminar for any leader with direct reports who values results and wants to know how to engage people and get the work done. This content-rich, interactive program is packed full of relevant, street-ready skills and practices that can be applied immediately.

Based on the concepts of Intrinsic Motivation, Leadership Leverage, and the Coaching Leader, The Leadership Toolbox uses a holistic approach to motivate followers to be leaders.

### What You Will Learn

**Model**—how we listen, keep promises, and manage our time are small things that create big impact over time. Learn how to identify and get leverage from small changes in your daily leadership.

**Delegate**—the art of delegation is not only about getting work down, it's about developing people. Discover how to turn a task into a development opportunity.

**Communicate**—discover how to listen to learn and speak to motivate with eight simple practices you can easily turn into a leadership style.

**"Wow! Thanks—I received practical learning that will enable me to grow as a manager and as a coach."**
